

The mission of The Dane Foundation is to address the unique needs of individuals with physical and developmental disabilities.

Uniquely, The Dane Foundation provides "things" not available through typical support sources. Items like toilet paper, cleaning supplies, toiletries, adaptive medical equipment & household items offer comfort, fulfill needs, improve, and enhance the quality of life.

The Dane Foundation strives to reach out to offer help, provide encouragement, and pave avenues for understanding and acceptance. Through various programs, special events, and activities, The Dane Foundation is dedicated to meeting its mandates. There are many ways you can get involved with The Dane Foundation. The Summit Golf Classic is one way! Golf, Sponsor, Volunteer or all of the above! Call or email us today!

The organization is named for Dane Moser. A young man that, to us, represents the successes we all hope to have in our lives. His story is that of a boy who had to overcome many obstacles so he could inspire others. His spirit offers hope that, despite any disability, you too can face challenges head on, overcome the adversities of life, thrive and survive to change lives, hearts, and minds. Everyone needs help, encouragement & understanding!
